

# Taste Experience

You were told that you would have a SWEET taste in your mouth, and then you were told that you have a SOUR taste in your mouth.

How strongly did you taste a SWEET taste in your mouth, where 0 means you felt no taste at all and 5 means you felt a strong taste? \*

No taste    0   1   2   3   4   5    Strong taste

How strongly did you taste a SOUR taste in your mouth, where 0 means you felt no taste at all and 5 means you felt a strong taste? \*

No taste    0   1   2   3   4   5    Strong taste
